

Arts Illiana Gallery:

*Phenomenon*

*Phenomenon* a fact, occurrence, or circumstance observed or observable: *to study the phenomena of nature.*

Something that is impressive or extraordinary.

A remarkable or exceptional person; prodigy; wonder.

*Philosophy.*

An appearance or immediate object of awareness in experience.

*Kantianism.* a thing as it appears to and is constructed by the mind, as distinguished from a noumenon, or thing-in-itself.

Guest Curator Donna L. Meyer selected the following artworks because they all show a unique range of 2D works, 3D works, color palettes, materials and textures. All pieces have visually pleasing compositions and most importantly they conceptually portray the ideology of phenomenon. Key factors the exhibit epitomizes are the following:

**Natural occurring forms**  
**Prehistoric existence**  
**Religious, spiritual and ritual happenings**  
**Abstraction**  
**Mystery**  
**Scientific anomalies**  
**Emotional intelligence**  
**Popular trends in society**  
**Worldwide cultural issues**  
**The effects of color on behavior**  
**Innovation of technology**  
**Conscious of the mind**  
**Survival of the fitness in organism's**  
**Supernatural occurrences**  
**Existence**  
**Time**  
**Evolution**  
**Death**
