

JUNIOR

**Arts Illiana is proud to present
TableScapes JUNIOR for another exciting year!**

TableScapes JUNIOR is a wonderful way for children to learn about design and how to communicate through the arts. The event is part of Arts Illiana's major fundraising event, TableScapes. The Junior category is open to individuals, small groups, and organizations that work with children from ages 5-18. The tables will be displayed in the reception area of the TableScapes event in the Sycamore Banquet Center on the Indiana State University Campus.

Here are the key elements:

- Children must be involved in the design concept as well as creating the table display. The adult's role is to provide support and technical advice to the children. The children are encouraged to help set up the table but do not have to be present since transportation of children could be a problem.
- There are no specified themes. We encourage imagination and celebration, creativity and design. The theme should reflect the interests of the children.
- The tables are 30" in diameter. There are no chairs. An 85" white square tablecloth is available on request.
- TWO place settings are required.
- No granular substances, glitter, open flames.
- Nothing may be adhered to the wall.
- Nothing on the floor around the table.

Schedule of Events

May 7, 6:00 pm – 7:00 pm
